

## Spice shaker cans and shakers

If anyone CAN - we CAN!

# Spice shaker cans and shakers

Spice shaker cans are specifically designed for filling spices.  
As standard, the tins and lids are lacquered inside and outside.

The product features of spice shaker cans  
„made by Pirlo“ at a glance:

- Protects flavourings
- Impermeable to light and air
- With or without stackable lid
- Optimal reclosability
- Different metal shakers for fine, medium and coarse spices
- Plastic shakers with 3 dosing options
- 63 mm screw-cap also available with EPE liner (only with lid without stacking bead)
- Customised printing and embossing (lid) possible

If you have any questions about spice shaker cans our experts will be happy to help. Special can sizes are possible on request.

Diameter [mm]	Minimum height [mm]	Maximum height [mm]
56	55	280
63	55	250

## Legende
